

Dear Sir or Madam, I have been so delighted to have satellite radio! I am on the road most of the day and I can listen to music, etc even in the most rural and remote areas.

Satellite radio is a choice one makes to purchase/ enjoy. If one has objection to it, they won't pay or listen. I respectfully submit to reject the NAB petition 04-160 and allow me and the many others that enjoy & depend on satellite radio to be entertained & informed.

Many thanks in advance for your consideration.
